

Slice Me Nice

Fancy

My body's burning like a flame, that's blue
It's time for action and I want it from you
Slice me nice, slice me nice

My heart is beating to the rhythm of love
I need you, baby, like cold hands need a glove
Slice me nice, slice me nice

I'm like a cake that wants to be baked
I'm like a pie made for hungry guys
My body's burning like a flame that's blue
It's time for action, baby, cut me in two
Slice me nice, slice me nice

S L I C E - slice me nice
S L I C E - slice me nice
S L I C E - slice me nice
