

## Landshark

Fang

Landshark go  
King of the road  
Eat my dirt  
Landshark go  
King of the road lets go  
Landshark will never let you go  
When no ones left alive  
Landshark will survive  
Don't heed no rules or regulations  
No fears or hesitations  
Never goes by the book  
That car knows how to cook  
Landshark go
