

Time Will Only Tell

Fanmail

I feel
my time is coming and i'm not so sure if i've already been here

too late
the time has passed by and im not so sure what i should fear
disappointment takes it toll
when you're getting older
and everyone's still younger
i feel
my time is coming and not so sure if i've already been here
too late
the time has passed by and im not so sure what i should fear
procrastination takes its toll
grabs you by the throat
and never lets you go
i feel
my time is coming and i'm not so sure if i've already been here

too late
the time has passed by and i'm not so sure but time will only t
