

Change Your Mind

Fantasia

Loving you how much
Loving you how much I did yeah, yeah!
Cause in this game of love
Sometimes it ain't fair, yeah, yeah!
These days I'm really crazy
There's no way I should've watched you walk out, hey
I can make it up baby
Got a way we can work this thing out!
Come home to me, baby
I'll be good to you darling
You never had it the way I'm gonna give it to you!
Let me cook for you, baby,
Put my lips on you, darling!
Get ready for the time of your life?
Chorus:
Oh oh oh
The way that I'm gonna do you tonight
Will make you change your mind!
Oh oh oh
The things that I'm gonna show you tonight
Will make you change your mind!
You still mad, I feel bad for what I did, huh
I know I broke it so tonight I'm your fix again!
Let me show you why you need me in your life
I know you people think you just stayed away!
I lied for you (lied for you), you cried for me (cried for me)
I've walked away and threatened to never come back, baby!
Forgive me, forgive me!
Oh baby, please, come back to me,

Come home to me, baby
I'll be good to you darling
You never had it the way I'm gonna give it to you!
Let me cook for you, baby,
Put my lips on you, darling!
Get ready for the time of your life?
Chorus:
Oh oh oh
The way that I'm gonna do you tonight
Will make you change your mind!
Oh oh oh
The things that I'm gonna show you tonight
Will make you change your mind!
Love me, love me, love me baby
Come back, come to me, baby
You know I need you!
Come home to me, baby
I'll be good to you darling
You never had it the way I'm gonna give it to you!
Let me cook for you, baby,
Put my lips on you, darling!
Get ready for the time of your life, baby?
Chorus:
Oh oh oh
The way that I'm gonna do you tonight
Will make you change your mind!
Oh oh oh

The things that I m gonna show you tonight
Will make you change your mind!
Show you, I ll show you
Show you, I ll show you
Change your mind
Show you, I ll show you
Show you, I ll show you
