

# I Believe

Fantasia

Have you ever you ever reached a rainbow's end  
And did you find your pot of gold  
Ever catch a shooting star and  
Tell me how high did you soar

Ever felt like you were dreaming  
Just to find that you're awake  
And the magic that surrounds you  
Can lift you up and guide you on your way

I can see it in the stars across the sky  
Dreamt a hundred thousand dreams before  
Now I finally realize you  
See I've waited all my life for this moment to arrive  
And finally I believe

When you look out in a distance  
You'll see it never was that far oh no  
Heaven knows your existence  
And wants you to be everthing you are oh

There's a time for every soul to fly  
It's in the eyes of every child  
It's the hope, the love that saves the world  
And ohhh we should never let it go

I can see it in the stars across the sky  
Dreamt a hundred thousand dreams before  
Now I finally realize  
See I've waited all my life for this moment to arrive  
And finally yeah

I believe in the impossible  
If I reach deep within my heart  
Overcome any obstacle  
Won't let this dream fall apart

See I strive to be the very best  
Shine my light for all to see  
'Cause anything is possible  
When you believe yeah

I can see it in the stars up in the sky  
Dreamt a hundred thousand dreams before  
Now I finally realize  
I've waited all my life for this moment to arrive  
And finally I believe  
Yes I believe

Ohh Yeah

Love keeps lifting me higher  
Liftin me higher  
Love keeps lifting me higher  
I said love keeps liftin

Love keeps lifting me

I said Love keeps liften  
Love keeps lifting me higher  
Said love keeps liften me higher  
I said love keeps lifting me high
