

I Believe

Fantasia

Have you ever you ever reached a rainbow's end
And did you find your pot of gold
Ever catch a shooting star and
Tell me how high did you soar

Ever felt like you were dreaming
Just to find that you're awake
And the magic that surrounds you
Can lift you up and guide you on your way

I can see it in the stars across the sky
Dreamt a hundred thousand dreams before
Now I finally realize you
See I've waited all my life for this moment to arrive
And finally I believe

When you look out in a distance
You'll see it never was that far oh no
Heaven knows your existence
And wants you to be everthing you are oh

There's a time for every soul to fly
It's in the eyes of every child
It's the hope, the love that saves the world
And ohhh we should never let it go

I can see it in the stars across the sky
Dreamt a hundred thousand dreams before
Now I finally realize
See I've waited all my life for this moment to arrive
And finally yeah

I believe in the impossible
If I reach deep within my heart
Overcome any obstacle
Won't let this dream fall apart

See I strive to be the very best
Shine my light for all to see
'Cause anything is possible
When you believe yeah

I can see it in the stars up in the sky
Dreamt a hundred thousand dreams before
Now I finally realize
I've waited all my life for this moment to arrive
And finally I believe
Yes I believe

Ohh Yeah

Love keeps lifting me higher
Liftin me higher
Love keeps lifting me higher
I said love keeps liften

Love keeps lifting me

I said Love keeps liften
Love keeps lifting me higher
Said love keeps liften me higher
I said love keeps lifting me high
