I Nominate U

Fantasia

I been thinking bout this All day long Cant believe how I'm gone And my minds blown off of you I'm anticipating (oh) When you're coming home (oh) See tonight were bout to try out something new (Something sexy baby) I was thinking role play if you're ready, boy get ready (Lets see you be Denzel) Its your training day boy come and get me, are you with me Lets keep the lights on cause tonight I wanna watch you perform (Watch ya perform Let me see what cha got for yo girl now baby) When I turn you on you steal the show boy you should get an award (As a matter a fact boy ya' know that I do) I nominate u Cant no other brother put that thing down like you do Ain't no other way to say it baby you're the truth Keep doing what you do I'm nominating u I nominate u For the best kissing and love scene For the best sequel that I've seen You know what I mean boy you're the truth Keep doing what you do I'm nominating u Boy you keep my attention You make me stay tuned And now all I ever wanna do Is keep on watching you I like how ya do it When you make it move You make my body react, Wanna run it back, One on one with you (When were alone the) Only sound youre hear is me say ooooh, oooh (Wont be talking, no more) Only love making from there boy that's the RULES He keeps it real with me he aint gotta front man Don't need no body double he does his own stunts man Scream action in the bedroom And he keeps jumping Soon as I yell cut

He wraps it up And theres no
