

# Lose To Win

Fantasia

Never felt so ugly,  
Pretending that he loves me  
Sometimes it's just that money,  
Never had to afford me  
Now I'm sick and tired of  
You, just taken right off  
Know when I forgive you

You ain't here for dinner  
Like I'm a beginner,  
I loved you for your inner, inner, inner  
And the next guy is out there  
Somewhere,  
But you won't dare, 'cause you're too scared

Have you ever  
Needed someone so bad?  
But he ain't willing to make it last  
Sometimes you gotta lose to win again.  
If it makes you cry, cry, cry  
And all you do is fight  
Can't get no sleep at night?  
Sometimes you gotta lose to win again.

Ever felt this sorry?  
All you did was worry  
You didn't want nobody,  
Thought it would get better  
But it's fallen more than  
Oh it's fallen more than  
Ever  
I just hoped that we would  
'Cause you're always up to no good  
Maybe it'll take someone else,  
To show me better  
But I don't wanna leave ya  
Oh, ey

Have you ever  
Needed someone so bad?  
But he ain't willing to make it last  
Sometimes you gotta lose to win again.  
If it makes you cry, cry, cry  
And all you do is fight  
Can't get no sleep at night?  
Sometimes you gotta lose to win again.

Some of you know what it feels like  
Caught up just in his light  
Don't wanna try again, thinking what's the difference?  
Why am I not interested?  
'Cause when you've been broken, you feel like no one can fix it  
Yeah

Have you ever  
Needed someone so bad?  
But he ain't willing to make it last

Sometimes you gotta lose to win again (Win again)  
(Oh and if it makes you cry) If it makes you cry, cry, cry  
'Cause all you do is fight  
Can't get no sleep at night?  
Sometimes you gotta lose  
To win again

Oh, sometimes you got to lose,  
You got to lose, to win again, yeah

Have you ever  
Needed someone so bad? (Have you ever?)  
To make it last  
Sometimes you gotta lose  
To win again.
