

# Move On Me

Fantasia

Move on my baby come and get this love  
said you need it and you want, gotta have it baby  
i been thinking lately, waited long enough  
said you need it and you want, gotta have it  
baby babyy babyyy babayyyy!

aint you tired waiting  
3, 4 months we been dating  
i just want your love, i just want it  
how about a lil fun, lets enjoy recreations  
wanna feel your touch, wanna feel it  
i been trying to play it cool, now its time to lose my guard  
baby give it up, baby do it  
so tonights theres no more rules  
have me anyway you want  
babyyy, babayyyyyy !

move on my baby come and get this love  
said you need it and you want, gotta have it baby  
i been thinking lately, waited long enough  
said you need it and you want, gotta have it  
baby babyy babyyy babayyyy!

been anticipating, aint no sense in delaying  
come in where its warm, baby come in  
throw in a sultry song, its a special occasion  
play it all night long, baby play it  
im [?], your full grown  
feels just right, it cant be wrong  
baby making love, baby making  
lay in bed, looking fine  
make me wanting you some more  
baby babayyy!

move on my baby come and get this love  
said you need it and you want, gotta have it baby  
i been thinking lately, waited long enough  
said you need it and you want, gotta have it  
baby babyy babyyy babayyyy!

see the clock on the wall, about time you give me a call  
cause i knw what your needingg  
what your needing, im giving  
come get my love, i swear its yours  
boy you can have it all, not like love had before  
its what you need and more  
loves what your waiting for

move on my baby come and get this love  
said you need it and you want, gotta have it baby  
i been thinking lately, waited long enough  
said you need it and you want, gotta have it  
baby babyy babyyy babayyyy!
