Fantasia

There's only one You're the only one  
My baby he's the perfect ten (perfect ten)  
He punches in at nine  
Eight the breakfast that I made for him  
Hops in the seven

He gets six figures  
When he gets off at five  
I'm what he's hungry for  
Three little letters and I'm in the mood (in the mood)

And he's the only man that I give it to  
If ya man don't be stressing ya  
Need to count ya blessings  
Ladies let me see them hands now  
Help me with this count down.

Ten, so many reasons why I stick with you  
Nine and my body adore you cause of the things you do  
Eight, I want you here with me, seven days of the week, six if  
I let you go I'm a fool, because boy  
There's Only one you, five said I never wanna let you go thats

With you thats what I want, three no I never wanna leave your l  
ove is too good to me, two, there's Never a wrong you can do, th  
ats why theres only one you

I count the seconds till he's at the door  
I kissed his lips at least a thousand times before,  
Still get that feeling  
My knees get to trembling (my)

My head start to spinning  
He's one and a million to me  
And he don't have to say a word (don't say a word)  
When he gets me with a dozen red roses I  
Know I got a winner, so if you got a winner, ladies let me see  
ya hands now  
Help me with this count down.
