

# This Is Me

Fantasia

Oooohhhh  
This is me  
this is who i am..

I'm still tryna make it out  
Cause i'm still just another girl from the ghetto  
There's so much in my life  
I break down cause i'm so deep in the struggle  
(there isn't sun in rain. there ain't joy in pain.)  
Thought i found my way out then i'm back again  
From the streets to the stage of hollywood  
Back to the blessings  
And the love in the hood

I'm just a girl tryna make a way (ohhhohhhh)  
It gets so hard but i'll be ok (be ok)  
I don't really care what the people say  
Cause this is me  
A mother, a daughter (daughter), a sis to my brother (sis to my brother)  
I'm every woman cause i gotta be  
And god put me through it  
Cause he know i can do it  
Cause this is me yeah

Southern girl with city dreams  
Got a sack full of clothes and just a few ol' dollars  
Bustin' tables while i'm tryna sing  
Hope i hit it big so i can send for my daughter  
(there isn't sun in rain. there ain't joy in pain.)  
Thought i found my way out then i'm back again  
From the streets to the stage of hollywood  
Back to the blessings  
And the love in the hood

I'm just a girl tryna make a way (make a way)  
It gets so hard but i'll be ok (ohhhohhhh)  
I don't really can what the people say (oh yeah)  
Cause this is me (this is me yeah)  
A mother (mother), a daughter, a sis to my brother (sis to my brother)  
I'm every woman cause i gotta be (oh yeah)  
And god put me through it  
Cause he know i can do it  
Cause this is me yeah

No one really knows the whole truth  
(the whole truth about me)  
And no one's had to live in my life  
(then they would know it ain't easy)  
Made my share of mistakes  
That's alright  
Cause i'm not gone be afraid no more  
Cause this is me  
And i won't hide who i am

I'm just a girl tryna make a way (ohhh oh yeah!)  
It gets so hard but i'll be ok  
I don't really care what the people say (what the people really say!) (oh ye

ah!)

Cause this is me

A mother, a daughter, a sis to my brother (sis to my brother)

I'm every woman cause i gotta be (hey!)

And god put me through it

Cause he know i can do it

Cause this is me yeah
