

When I See You

Fantasia

I put your picture on my mirror,
Start to blush when somebody says your name
In my stomach there's a pain
See you walk in my direction I go the other way
I start to stutter when I speak
Try to stand but my knees go weak
What happening to me in the dark can you tell me what it means
I lay my head on my pillow
Staring out the window
Wish on a star for a sign
It's the reason why

You're always on my mind
When you come around, I'm shy
When I see you, when I see you
Never know when you might walk by
So I gotta be right on time
When I see you, when I see you

I scribble X and O's in my notebook
Checking how my hair and nails look
I feel my self in the zone
I get nervous when you call
So I say I'm not home
I see your face when I here my favorite song
Should I send an email at home?
You're the number one topic on the phone
I wonder if you know, or do you have a clue?
I lay my head on the pillow
Staring out the window
Wish on a star for a sign
What's the reason why

Something now is taking over me
Yeah, yeah, yeah, yeah, yeah, yeah
I'm not going to run now, just go to stand here, yeah
Oh
Yeah
