Animal

I'm an animal

Animal

I'm an a-a-aa-a-a-a-a-a-aa-animal (I-I-I'm an animal, I)

I'm an a-a-aa-a-a-a-a-a-aa-animal (I-I-I'm an animal, I)

The world is filled with pimps n ho's

I'm an animal inside my skin and bonez

I'm an animal, a freak without warning

Hustling from dusk to dawn and

I give high mileage and great performance

Take a ride you can feel the horses

Proh is all business, bounty hunter

Welcome to the jungle, bust ya

Get attached, nah I ain't your man

I swing like the new tarzan

And I'm out for my next prey, can't delay

Lioness thru the glass of the mandalay

I get that play then I'm on my way

Don't love them hoes, just love the chase

I'm an a-a-aa-a-a-a-a-a-aa-animal (I-I-I'm an animal, I)

I'm an a-a-aa-a-a-a-a-a-aa-animal (I-I-I'm an animal, I)

The world is filled with pimps n ho's

I'm an animal inside my skin and bonez

I'm a beast with no leash and I reign supreme

Keep it fresh, keep it clean in the place to be

Only dream, makin cream and inhaling green

Got my team on the scene and we make you scream

Midnight at the zoo and the lights are flashing

Girls are dancing with their butt cheeks flapping

I smell reefer, somebody better pass it

To the left and I'm next to get plastered

Now that's better, back to the action

We going to play around and always keep it crackin'

So let's boogie, boogie on down

I'm an animal, I'm about to get wild

I'm an a-a-aa-a-a-a-a-a-aa-animal (I-I-I'm)

I'm an a-a-aa-a-a-a-a-a-aa-animal (I-I-I'm an animal, I)

I'm an a-a-aa-a-a-a-a-a-aa-animal (I-I-I'm an animal, I)

I'm an a-a-aa-a-a-a-a-a-aa-animal (I-I-I'm an animal, I)

I'm an animal, I, I

I'm an animal, I, I

I'm an animal, I, I (Yo, yo, yo, yo, yo)

I, I, animal

What's the sound, time for chow

I'll eat your insides pound for pound

Animal instincts, I'm on the prowl

Looking for a girl with a freaky style
Bare back pussy cat in the pocket
Type in the password to unlock it
After dark is when the dog's barking
Animal house and I came to party

So I'm gonna rock right now
I'm Kev Nish and I came to get down
I'm not internationally known
But I'm here to rock the microphone so let's go

The world is filled with pimps n ho's
I'm an animal inside my skin and bonez
