Bangin down the block with my Remy bottle

Servin all the fiends like King Taco  
My cheese, nachos, flossin til ya unfollow  
Windows down the 'Lac, just an ass crack  
Nothin but the Alpine system on smash  
Hit the stash in the dash, better puff puff pass  
Flyin faster than the 5-0, bang it to the curb!

Hit the turn, flip the bird  
Bust a bitch, make'm swerve  
B-bang it to the curb

F1 Indy hoes burning my rubbers  
4 rooms at the motel undercover  
Player clique cruising LA in a 4Runner  
Pop the hatchback booty slappin like my subwoofer  
Slip slidin thru ya house word to Dogg Pound  
Fat beats for that kitty from the underground  
Hit up Sidney Samson if ya need a fat fix  
Lootin liquor stores time to flick the match sticks
