

## So What?

### Far East Movement

So whatcha whatcha whatcha want? (8x)

So whatcha whatcha whatcha want?  
No lines we just walk up to the front  
Dirty girls are my flavour of the month  
Evel Knievel cause ya know I got a stunt (it's show time)

So whatcha whatcha whatcha need?  
You wanna bang bang boogie with a freak?  
Pop bottles at my table to the beat  
Ya better gimme what I gimme what I need

Hey you take it to the room  
We can fly stars take it to the moon  
We can wild out take it to the zoo  
All I wanna do is zoom zoom zoom zoom

You and me in the backseat  
Bass in the trunk, you remind me of my jeep  
Bass hang low all the way to your feet  
All I wanna do is beat beat beat

So whatcha whatcha whatcha want? (8x)

So whatcha whatcha whatcha want?  
Hundred dollar bills stacked higher than the trunk  
Eatin real good take your bottles out to lunch  
Sleepin real good take your vodka out to brunch

So whatcha whatcha whatcha need?  
Need da be swimmin in women like the sea  
Super hot model chicks rum and lin-ger-ie  
Need da spray em down with the cham-pag-ne

You and me take it to the room  
We can fly stars take it to the moon  
We can wild out take it to the zoo  
All I wanna do is zoom zoom zoom zoom

You and me in the backseat  
Bass in the trunk you remind me of my jeep  
Bass hang low all the way to your feet  
All I wanna do is beat beat beat

So whatcha whatcha whatcha want? (8x)  
All I want is bass (11x)  
So whatcha whatcha whatcha want? (8x)
