

## Somebody put something in my drink

Farben Lehre

Another night out on the street  
Stopping for my usual seat  
Oh, bartender, please  
Tanqueray & tonic's my favorite drink  
I don't like anything colored pink  
That just stinks...it's not for me

IT FEELS LIKE SOMEBODY PUT SOMETHING  
SOMEBODY PUT SOMETHING IN MY DRINK  
SOMEBODY PUT SOMETHING  
SOMEBODY PUT SOMETHING

Blurred vision and dirty thoughts  
Feel out of place, very distraught  
Feel something coming on  
Kick the jukebox, slam the floor Drink,  
drink, drink, drink some more  
I can't think Hey! What's in this drink?

IT FEELS LIKE SOMEBODY PUT SOMETHING ...

...in my drink...in my drink...in my drink

So you think it's funny A college prank  
Goin' insane for something to drink  
Feel a little dry  
Oh, I couldn't care what you think of me  
Cause somebody put something in my drink  
I can't think Hey! Give me a drink

IT FEELS LIKE SOMEBODY ...
