

Youngblood

Farben Lehre

I'm a boy from polish world
Changing land, fucking place
I'm twenty two years old
Have no money, a wife and a dog

I don't believe Radio-TV
I'm not interested in politics
But remember '81
When I saw tanks in the streets
...polish streets...

POLAND
POLAND IS MY COUNTRY
IS MY HOME
POLAND
POLAND IS MY COUNTRY
POLAND IS MY HOME

I hear music everyday
Drink red wine with my girl
Loved hard-rock six years ago
But now I like punk'n'roll
NOW I LIKE PUNK'N'ROLL

POLAND...
