Start It Up

Farewell

If you wanted to, you could just settle down, But you'd rather just waste away - button up, shut up, And turn your life around - what would it take to get this star ted? Blood scattered on the boy scout's war today - if you wanted to You could just start it up - just start it up, lets get started It's five o'clock, that means it's time to start growing up You'd rather waste away - you're twenty-two, but you've got Nothing much to show for it - you'd rather waste away
