## A Heartache For A Keepsake

A heartache for a keepsake What a tragic souvenir Now I know how it feels When people's dreams all disappear

I'm looking out my window Watching her just walk away A heartache for a keepsake It became mine just today

A picture fades with time But will a heartache do the same Years from now, will I still Wake up nights and call her name?

Oh, it hurts to love somebody Then to see her walk away A heartache for a keepsake It became mine just today

A picture fades with time But will a heartache do the same Years from now, will I still Wake up nights and call her name?

Oh, it hurts to love somebody Then to see her walk away A heartache for a keepsake It became mine just today **Faron Young**
