

Burning Bridges

Faron Young

(Burning bridges behind me) all I want is to forget you somehow

Found some letters you wrote me this morning
And they told of a love we once knew
Now they're gone I'd burned them to ashes
Don't want nothing that reminds me of you

Burning bridges behind me it's too late to turn back now
Burning bridges behind me all I want is to forget you somehow

Sold the house we once planned together
And said goodbye to folks we once knew
Then I moved to the faraway city trying hard to forget about you

Burning bridges behind me...
