

# Country Girl

Faron Young

I met you my country girl, you didn't have a thing  
I fell in love, I dressed you up, then I bought the ring  
I was teachin' you to love, you were learnin' fine,  
Then one day you learned too much and it poisoned your sweet mind

Now you've gone and left me, you're with somebody new  
But I wonder if you told him, I bought the clothes on you  
When you two are dancin' and you whisper soft and sweet  
I wonder if you'll tell him, I bought the shoes on your feet

Now I've lost my country girl to a city love affair  
He built you up, you fell for him, you didn't treat me fair  
You think that he's a dream come true, he says he loves you so  
But wait until the word gets out, I taught you all that you know

Now you've gone and left me, you're with somebody new  
But I wonder if you told him, I bought the clothes on you  
When you two are dancin' and you whisper soft and sweet  
I wonder if you'll tell him, I bought the shoes on your feet
