

# Don't Let The Stars Get In Your Eyes

Faron Young

Don't let the stars get in your eyes don't let the moon break y  
our heart  
Love blooms at night in daylight it dies don't let the stars ge  
t in your eyes  
Oh keep your heart for me for someday I'll return  
And you'll know you're the only one I'll ever love

Too many nights too many stars too many moons to change your mi  
nd  
If I'm gone too long don't forget where you belong  
When the stars come out remember you are mine  
Don't let the stars get in your eyes...  
Too many miles too many days too many nights to be alone  
So please keep your heart while we are apart  
Don't linger in the moonlight while I'm gone  
Don't let the stars get in your eyes...
