

Everything I Have Is Yours

Faron Young

Everything I have is yours you're part of me
Everything I have is yours my destiny
I would gladly give the sun to you if the sun were only mine
I would gladly give the earth to you and the stars that shine

Everything that I possess I offer you
Let my dream of happiness come true
I'd be happy just to spend my life waiting at your beck and call
Everything I have is yours my life my all
Everything I have is yours you're part of me...
Everything that I possess I offer you...
