(I remember our faded love)

As I look at the letters that you wrote to me it's you that I a m thinking of

As I read the lines that to me were so dear I remember our fade d love

I miss you darling more and more every day as heaven would miss the stars above

With every heartbeat I still think of you and remember our fade d love

As I think of the past and all the pleasures we've had

As I watch the mating of the dove

It was in the springtime that you said goodbye I remember our f aded love

I miss you darling more and more...
