

I Woke Up On The Wrong Side Of The World

Faron Young

And I woke up on the wrong side of the world
Last night I went to sleep I thought the world was fine
The day had been a perfect day and you were mine
But somewhere between dusk and dawn the earth tumbled and furled
And I woke up on the wrong side of the world

The sun has not the right the moon is still right there
The seas refused to change the tide while you're not here
Cause somewhere between dusk and dawn...

Cause you were gone my life has changed cause you were gone the
earth's rearranged
Tonight before I go to sleep I'll ask the ---
Please turn the earth around so when I awake she's there
Cause somewhere between dusk and dawn...
Yes I woke up on the wrong side of the world
