

It All Depends On You

Faron Young

(It all depends on it all depends on it all depends on you)

Well I can be happy I can be sad I can be good or I can be bad
It all depends on you
I can be lonely out in a crowd I can be humble I can be proud
It all depends on you

Well I can save money or spend it go right on living or end it
You're to blame honey for what I do
I know that I can be beggar I can be king I can be almost any
old thing
It all depends on you
It all depends on you
It all depends on you

Well I can save money...
It all depends on you
