

# Mountain Of Love

Faron Young

I'm standing on a mountain looking down on the city  
The way I feel is a doggone pity  
Teardrops falling down a mountainside  
Many times I've been here and many times I've cried  
We used to be happy when we were in love high on a mountain of love  
Night after night I've been standing here alone  
Weeping my heart out till the cold gray dawn  
Hoping that you're lonely and you'll come here too  
Hoping just by chance that I'll get a glimpse of you  
Trying hard to find you somewhere above high on a mountain of love

A mountain of love a mountain of love you should be ashamed  
We used to be a mountain of love but you just changed your name  
Way down below there's a half a million people  
Somewhere there's a church with a great tall steeple  
Inside the church there's an altar filled with flowers  
Weddin' bells are ringing and they should have been ours  
That's why I'm so lonely here up above high on a mountain of love

A mountain of love a mountain of love...  
High on a mountain of love high on a mountain of love
