

My Dreams

Faron Young

When day ends and night falls my heart cause a dream a dream of
love
There's no dream like my dream and darlin' it's you I'm dreamin'
' of
If my dreams're daydreams then daydreams I have many of
There's no dreams like my dreams and darlin' my dreams are of y
ou
Why did you prove untrue when you know it's only you
When day breaks my heart aches my lips taste the kisses we once
knew
There's no dream like my dreams and darlin' my dreams are of yo
u
When day ends and night fall...
And darlin' my dreams are of you
