

Shame On You

Faron Young

Shame shame on you shame shame on you
Took my heart as a token when return it was broken hide your face shame on you
Shame shame on you shame shame on you
Took my car and my money I tell you gal that ain't funny darn your hide shame on you
Shame shame on you shame shame on you
Took and play your little game you'll find out who was to blame
Hide your face shame on you
Shame shame on you shame shame on you
Can you hold your head up high look your friends right in the eyes
No you can't shame on you shame on you
