## **She Thinks I Still Care**

**Faron Young** 

Just because I asked a friend about her, Just because I spoke her name somewhere, Just because I dialed her number by mistake today, She thinks I still care.

Just because I haunt the same old places, Where the memory of her lingers everywhere, Just because I'm not the happy guy I used to be, She thinks I still care.

Oh if she's happy thinkin' I still need her, Then let that silly notion bring her cheer, Oh how could she ever be so foolish, And where would she get such an idea?

Just because I asked a friend about her, Just because I spoke her name somewhere, Just because I saw her, then went all to pieces, She thinks I still care. She thinks I still care.
