

# She Went A Little Bit Farther

Faron Young

Loving me to you  
Seems such a bother  
You made it so easy for me  
To love another

So don't you blame her  
For stealing me you let her  
'Cause where your love stopped  
She went a little bit farther

Why you changed so much  
I was more at ease with a stranger  
And it wasn't so hard  
Our love was already in danger

Now she does everything  
That pleases me that you never  
And where your love stopped  
She went a little bit farther

She went a little bit farther  
Just to make me feel love  
She considered my feelings  
Now she's all that I'm thinking of

So don't blame her for stealing me  
You know you let her  
And where your love stopped  
She went a little bit farther

Yeah, where your love stopped  
She went a little bit farther
