

## Sweethearts Or Strangers

Faron Young

Sweethearts or strangers it makes no difference now I'll leave  
it up to you  
Sweethearts or strangers I'll get along somehow what do you want  
me to do  
I guess I'll always love you no matter what you say  
By all the stars above you we can't go on this way  
Sweethearts or strangers how can we go from here sweethearts are  
strangers dear  
Sweethearts or strangers what will the verdict be that's what you  
must decide  
Sweethearts or strangers don't you worry about me and I've loved  
I left and I cried  
I guess I'll always love you although you say we're through  
I'm glad that I had known you though my heart breaks in two  
Sweethearts or strangers how do we go from here sweethearts are  
strangers dear
