

Sweethearts Or Strangers

Faron Young

Sweethearts or strangers it makes no difference now I'll leave
it up to you
Sweethearts or strangers I'll get along somehow what do you want
me to do
I guess I'll always love you no matter what you say
By all the stars above you we can't go on this way
Sweethearts or strangers how can we go from here sweethearts are
strangers dear
Sweethearts or strangers what will the verdict be that's what you
must decide
Sweethearts or strangers don't you worry about me and I've loved
I left and I cried
I guess I'll always love you although you say we're through
I'm glad that I had known you though my heart breaks in two
Sweethearts or strangers how do we go from here sweethearts are
strangers dear
