

Till I Waltz Again With You

Faron Young

Till I waltz again with you
Don't let no other hold your charms
If my dreams should all come true
You'll be waiting for my arms.
Till I kiss you once again
Keep my love locked in your heart
Darling, I'll return and then
We will never have to part.
Though it may break your heart and mine
The minute when it's time to go
Remember dear each word divine
That means I love you so.
Till I waltz again with you
Just the way we are tonight
I will keep my promise true
For you are my guiding light.
Though it may break your heart and mine
The minute when it's time to go
Remember dear each word divine
That means I love you so...
