Till I Waltz Again With You

Faron Young

Till I waltz again with you Don't let no other hold your charms If my dreams should all come true You'll be waiting for my arms. Till I kiss you once again Keep my love locked in your heart Darling, I'll return and then We will never have to part. Though it may break your heart and mine The minute when it's time to go Remember dear each word divine That means I love you so. Till I waltz again with you Just the way we are tonight I will keep my promise true For you are my guiding light. Though it may break your heart and mine The minute when it's time to go Remember dear each word divine That means I love you so...
