

You Keep Right On Loving Me

Faron Young

Puttin' on your makeup I can see the lines you're tryin' hard to
hide
Lines that tell the story of your life with me that seemed to y
ou good times
All I've been to you is a thorn to me you've been a rose
And you keep right on loving me but why you do I'll never know
Making yourself pretty for a man who hasn't made your life much
fun
Never do you complain and if angels walk on earth then honey yo
u'd be one
And if you've ever cried you've cried inside where it don't sho
w
And you keep right on loving me but why you do I'll never know
I broke every promise not even the small ones could I keep
That's why I keep thinkin' that you'd be so much better off wit
hout me
And I know if I try to leave you'd even let me go
And you'd keep right on loving me and why you would I'll never
know
