

Your Old Used To Be

Faron Young

Will I ever get used to being your old used to be
I watched you walk away from me so long ago
I didn't know I loved you and I let you go
And just to think that I'm the one who set you free
Will I ever get used to being your old used to be
I've gotten used to people's stares as I walk by
I keep my head bowed low so they can't see me cry
They say there goes a man who lives in a memory
Will I ever get used to being your old used to be
I've got no one to help me pass these lonely days
When night time comes I just can't keep the blues away
Or if I dream your lovely face is all I see
Will I ever get used to being your old used to be
I've gotten used to...
