

Don't Let Them Get You Down

Farrah

I'm always trying to put you together again just to watch you falling apart
I call you on the phone and lay you on my couch
So sad to hear you cry, don't let them get you down.
You tell me you've been pacing your room when all you want to do is sleep
Your beautiful skin is wearing thin, so sad to hear you cry.
Don't let them get you down
Don't let them get you down, let them get you down
Don't let them get you
Don't let them get you down
Don't let them get you down.
I see you standing there, you got your back against the wall, you got to rise above them all.
I won't be there to put you together again and I won't be there when you're falling apart
But I'll call on the phone and lay you on my couch, so sad to hear you cry.
Don't let them get you down, let them get you down
Don't let them let you down, let them get you down
Don't let them get you
Don't let them get you down
Don't let them get you down.
I see you standing there with your back against the wall
You've got to rise above it all
Don't let them get you down
Don't let them get you down, get you down
Don't let them get you down.
