

# A Boy from Hell

Fast Food Orchestra

Well I have to find you I wanna to know  
Demon from hell is getting my soul  
He said: „Boy I promise you'll have a good time“  
He gave me a pack and he asked me to sign

So I signed away my life and soul  
I did it for power, youth, for love and gold  
My life is fun and my life is good  
My life is great cause I can be with you
