

It's Not My Fault

Fast Food Orchestra

Few hundred jokes bad and stupid you are selfish to the core It
's so sad you're playing for your score you should think twice
'cause words you say are not ok are not alright just stabbing f
rom behind No it's not my fault that your words bother me no it
's not my fault that I'm your enemy for real yes it's true you
are false and I don't want to be like you
I guess there's better thing to do we're not same you are scum
It's not my fault I'm not to blame you're not welcome go away N
o it's not my fault that your words bother me no it's not my fa
ult that I'm your enemy but tonight you said something that's n
ot right I try to wonder why...It's not a game and you should f
eel ashamed I try to wonder why...
