

# Sound Gangsters

## Fast Food Orchestra

Our tunes, our sound's gonna shot you down!

This is not a safe song 'cause we are sound gangsters  
Hope you're never gonna miss, we are sound terrorists  
This is not a safe song 'cause we are sound gangsters  
we're never gonna miss  
We are sound terrorists!

Hey y'all we have a ball, the future's here, we rock and we roll  
We build up the sound and the riddim wall  
It's like a chip in your head that you've been installed

That mix's gonna make you flip  
You see us everywhere we are mega sound kings  
and alla dem hot  
Cyber-super-twinks are gonna click on links with my megapix

To be a human is a little bit out - of - date 2K78  
just love no hate, we go straight,  
No time to wait bad boy  
bad boy you are kind of late

Check all this musical space that we create,  
but your outta style we just can't relate  
we just open the megasound gate  
you deal with pills, we deal with tunes  
We make, we deal with tunes we make!

This is not a safe song 'cause we are sound gangsters  
Hope you're never gonna miss, we are sound terrorists  
This is not a safe song 'cause we are sound gangsters  
we're never gonna miss  
We are sound terrorists!

We are the files that you can't erase  
and if you wanna win than you need an ace  
the party has begun inna di cyber space  
and the sound of the bass deforms Your face

Don't miss that shit's gonna fix Matrix,  
It's fresh like a mint and sweet like a kiss,  
Don't talk just move and listen to  
this boom boom wi a com like a sound of  
Police  
Music,  
love and peace, brand new shit's ready to be released,  
It's like a virus it's a spreading disease,  
did I hear you saying could you help me please?

Its gonna be your best deals what do you feel?  
You're gonna love it just check  
This is out for real!  
Hot like a meal and hard like a steel  
You deal with pills we deal  
With sex appeal.  
We deal with sex appeal

This is not a safe song 'cause we are sound gangsters  
Our tunes our sound's gonna shot you down!

Ladies and Gentleman pay attention  
Welcome to new dimension  
New era - brand new action  
You dance but it's not your intention  
What happened  
Game over  
Sound weapon  
New Word Order  
What happened  
New era  
Wilkommen Welcome

The show has begun lets go go  
Oh yeah everybody wanna glow glow  
Whole world just flows in the rhythm and the sound from the  
Rio to Tokyooooo  
You sweat like somewhere deep in Kongo  
in your head you hear rumble the Bongo  
Hear us we are sound masters,  
it's a sound blaster ...  
we are sound Gangsters

This is not a safe song 'cause we are sound gangsters  
Hope you're never gonna miss, we are sound terrorists  
This is not a safe song 'cause we are sound gangsters  
we're never gonna miss  
We are sound terrorists!

Our tunes, our sound's gonna shot you down!
