Altamont

Fastball

Altamont now won't be the same
When we see each other again
If it all falls apart, who is to blame?

Don't you think it's time to get real?
I wanna scream out the way I feel
I'm so tired of watching you bail

Hey, don't try to tell me it's okay
Don't turn me off and walk away
You've gotta say it's straight

Close the door but it won't go away
Tell me that it's at your control
I'm not waiting for you anymore

Hey, don't try to tell me it's okay
Don't turn me off and walk away
You've gotta say it's straight

Altamont, I'm on your side
Believe it or not, I'm on your side
It's so hard to be your friend sometimes

Hey, don't try to tell me it's okay
Don't turn me off and walk away
You've gotta say it's straight
You'd better say it's straight
