

Lou-ee, Lou-ee

Fastball

Sittin' here in your room
I've been listenin' to the freeway and the moon
Shinin' through
Broken windows, I've been waitin' for ya singin'

Louie Louie, Louie Louie
When ya gonna come back home
Louie Louie, Louie Louie
You know I hate to see you cry

Sittin' on the hood of your car
Starin' up at the sky, wishin' on a fallin' star
You come so far
I get no response, I just keep on waiting

Louie Louie, Louie Louie
When ya gonna come back home
Louie Louie, Louie Louie
You know I hate to be alone

Oh, yeah yeah, yeah yeah
Alright

Louie Louie, Louie Louie
When ya gonna come back home
Louie Louie, Louie Louie
You know I hate to be alone

Sittin' here in your room
I've been listenin' to the freeway and the moon
Shinin' through
Broken windows, I've been waitin' for ya

Louie Louie, Louie Louie
When ya gonna come back home
Louie Louie, Louie Louie
You know I hate to see you cry

Louie Louie, Louie Louie
When ya gonna come back home
Louie Louie, Louie Louie
You know I hate to be alone with myself
