

Red Light

Fastball

I went walking through the red light
On the dark night in the winter
Pretty girls in the window
Pretty girls, staring back at me

I went walking 'cross the St. Charles
To the Argyle downtown
Met my friends in the back there
Know we always have a really good time

And I feel so alive and I feel so free
Always listening to our favorite songs
They play them all night long
They play them all night long

I woke up with a girly
Way too early, oh my head
I went walkin' to the newsstand
All the suits staring back at me

Whatchu lookin' at?

I went walking down Main Street
Down to South Beach, oh I crawled
I went looking for the bee sting

And I feel so alive and I feel so free
Always listening to our favorite songs
They play them all night long
They play them all night long

[Incomprehensible]

At the end of the world
At the end of the world
At the end of the world
At the end of the world

Will I see you again?
Will I see you again?
At the end of the world
Take me home all the way, yeah

Right, that's absolutely right
