Faster Pussycat

Booty-booty
Well here's a story about a floppy romp
All in all it seemed so fun
You got a rotten bladder and spastic knees
That's why she wears plastic sheets

Her butt, it drags along the street
Now there are no room for me
She'd be so pretty if she went on a diet
Come on fat bitch, do it, try it

Fat girl
She tried to sit on me
Fat girl
She's way too fat for me

Fat girl
She tried to squeeze the shit out of me

Big ol bitty had a buffalo butt
You thought that was big, you should've seen her gut
On her butt was a sign that said Wide Load
She's so big, she's got her own zip code

That lady can house a family of four
Give me a chimichanga please senior
She was so obese, she broke my bed
All fat chicks, give good head

Fat girl
Her legs looked like cottage cheese
Fat girl
There just so much left to squeeze
Fat girl
It's her scent that makes ME wheeze
Fat girl
