If things get that bad
There's plenty of room in Japan
Don't need girls or little boys
They'd only have broken toys
They'd only throw them all away

Pull my, pull my weeds (don't give a funk)
There's pain down below
Pullin weeds (don't give a funk)

An unwanted baby Jonny boy
Daddy was a dirty beggar mamma's a whore
With a life like that
How can he win the war
Don't need girls or little boys
They'd only have broken toys
They'd only throw them all away
There's pain down below
Pull my, pull my weeds (don't give a funk)
There's pain down below
Pull my, pull my weeds (don't give a funk)
