

The Power And The Glory Hole

Faster Pussycat

Generation of degeneration
A nomination for my domination
It's a no relation kind of fornication
Lubrication for my masturbation

Ooh la la
Yes i understand your french
Ooh la la
The ass is sweeter
On the other side of the fence

Your lips take control
Here lies the power & the glory hole

Fascination and imagination
Your simulation gives me good vibrations
My deviation makes temptation
Ejaculation is my salvation

Ooh la la
Yes i understand your french
Ooh la la
The ass is sweeter
On the other side of the fence

Your lips take control
Here lies the power & the glory hole
