

# Hate Destruction Kill

Fastkill

You try to fly with broken wings  
You take off high to avoid death  
Corpse of the wicked  
Widespread grief and terror

Give me a sign that you exist at the threshold  
I'm coming from behind delight in slaying

I saw your face in the crowd  
Impressed so deep inside my heart  
Nothing's gonna stop me now  
Like a shadow of domination

We'll force you to be nice to each other  
Kill you before you kill each other

"Somebody please come and help me"

Hate! I hate you all of you  
Destruction! I promise you agony  
Kill! Death is deliverance  
Thirst for revenge  
Hate, destruction, kill
