

Give It All You Got

Fastway

Don't you ever do it
Don't you tell me no lies
Lovin' that woman till the day I die
Reachin' for the top
Ain't gonna fall
Buy me some booze and a big fancy car
That's right
Hold on tight
'Cause I don't want to leave you behind

Give it all you got
I've got something
Give it all you got
It's not enough now
Give it all you got
I've got something
Give it all you got

Dancin' with my girl but she could have seen you
Don't say I told you
I told you it's true
Now you're on your own
Feeling the strain
Crying won't help, ever, ever again
So sad, ain't it true
Now that you, you've got nothing left to lose

Give it all you got
I've got something
Give it all you got
It's not enough now
Give it all you got
I've got something
Give it all you got

Did you ever feel like a stranger or a shadow
Through a glass window
Wondering why there's so many answers to questions
Never been asked

Don't you ever do it
Don't you tell me no lies
Lovin' that woman till the day I die
Reachin' for the top
Ain't gonna fall
Buy me some booze and a big fancy car
That's right
Hold on tight
'Cause I don't want to leave you behind

Give it all you got
I've got something
Give it all you got
It's not enough now
Give it all you got
I've got something
Give it all you got
