

# Trick Or Treat

Fastway

Suddenly everything's alright  
Everything is cool  
Hey dudes I like your style  
It's the way it should

Maybe you'll see  
Someone's put a spell on me

Rock and roll  
Rockin' on a midnight  
Steal your soul  
Rock and roll  
Rockin' on a midnight  
Take control

Knock, knock, knockin'  
For a sweet surprise  
It's a trick or treat

See my face true up in the skies  
If ever we should meet

Maybe you'll see  
Someone's put a spell on me

Rock and roll  
Rockin' on a midnight  
Steal your soul  
Rock and roll  
Rockin' on a midnight  
Take control

So let's rock  
Rock, rock  
Rock, rock

Rock and roll  
Rockin' on a midnight  
Steal your soul  
Rock and roll  
Rockin' on a midnight  
Take control

Rock and roll  
Rockin' on a midnight  
Steal your soul  
Rock and roll  
Rockin' on a midnight  
Take control

We're gonna rock it on DOWN!
